Dear Mr. Rohit Shinkre,

On behalf of our Trust Jeevanvidya Mission, I would like to convey our sincere appreciation of your services as Architect for construction of our Dyanpeeth at Ramwadi near Karjat.

I must express our entire satisfaction with the efforts invested by you and your team to drive the project successfully. Your professionalism and integrity despite all the difficulties and limitations arising from the remote location of the site is highly appreciable.

Since its inauguration in April 2012 all the facilities of Dyanpeeth campus and the extensive landscape gardens are cherished by thousands of *namdharaks* of our beloved Satguru Shri. Wamanrao Pai and I thank you on behalf of all of them.

Jeevanvidya Mission would definitely look forward to engage your services for our future projects and we would definitely recommend your firm, Rohit Shinkre Architects, very highly to anyone seeking the services of a professional Architect. It will be our prevelidge to share your details for interesting clients.

Yours sincerely

Pralhad Wamanrao Pai,
Life Trustee,
Jeevanvidya Mission Trust.
