SHARADA ERECTORS PVT. LTD.

Letter of Appreciation.

This is to certify that we had appointed Rohit Shinkre Architects as Master Planner in January to April 2011 for our bid to the Rajasthan Housing Board for the Mixed use Development of a 27 Acre site around the proposed Jaipur Convention Centre.

The program included a Convention Centre, Exhibition Hall, Auditorium, a luxury Hotel, Business Hotel, Serviced Apartments and Mall for a total BU are of about 1,60,000 m² + support and utility areas. The Master Plan proposal prepared by Rohit Shinkre Architects was able to address all the challenges of this complex project - the planning of programmatic elements, utility & transportation planning, context sensitive architectural and urban design directives & construction methodology etc. The complete proposal was prepared and presented within the deadlines and to very high standards in spite of very tough deadlines and changing project requirements.

We express entire satisfaction about the professional services of Rohit Shinkre Architects as Architects & Master Planners. We would not hesitate to appoint them for our projects in the future and to recommend to anyone looking at engaging professional services for Urban Design, Master Planning and Architectural design.

For Sharada Group
