#### Rethinking the Future (RTF)

*"Re-thinking The Future is about envisioning a future that aims to meet human 'needs' while preserving the environment so that these 'needs' can be met not only in the present, but also for future generations."*

#### DAF 2016

Delhi Architecture Festival is a series of architectural events spanning across the city starting from November with Studio Talk Series and culminating at a grand event in 13th-15th, January 2017 at SPA, New Delhi. DAF is to act as a platform for celebrating the purity of Indian architecture to the common public and to felicitate the masters in the field on Architecture & Design.

On behalf of the Delhi Architecture Festival, I would like to congratulate you on this achievement, and thank you for your contribution in defining new architectural language with your visionary project.

Prof. Manoj Mathur
