### To Whomsoever It May Concern :

It is with great pleasure that I am writing this experience certificate for Rohit Shinkre.

Rohit was Principal Design Consultant, Frischmann Prabhu India, Mumbai, subsidiary of London based Pell Frischmann group from April 2006 to October 2008.

He was the Project Manager / Design team leader from FPI for :

- Interior Fit -out for the British Deputy High Commission, Naman Centre, BKC, Mumbai. 35,000 s.ft. offices & a 7000 s.ft. Landscaped terrace. Scope included design development, design coordination with MEP design, preparation of tender & construction documents as per the specifications of FCO Services and scheme design by UK Architects Jordan & Bateman. Project completed in October 2008.
- Master Planning of Chrysalis Enclave 9 acres site for a cluster of 6 buildings totaling 700,000 s.ft. of Biotech lab space for TCG Developers in the International Bio -tech Park, Hingewadi, Pune. Scope included detailed planning as per applicable regulations and in coordination with detailed infrastructure planning & design (power supply, distribution & back-up, telecom, plumbing & drainage), central effluent treatment plant). Optimum design in a highly challenging topography. Completed in October 2008.
- Built – to -Suite Lab building in the Chrysalis Enclave. 100,000 s.ft of Biotech lab space for TCG Developers. Scope included detailed planning as per applicable regulations and in coordination with MEP design from concept design to construction drawings. Civil & architectural works complete in Jan 2008.
- 9 underground & 1 elevated station for Delhi Metro Phase 2. (As Principal Consultant to Frischmann Prabhu India Ltd.) Leading design and design coordination for the section between Udyog Bhavan & Qutub Minar. Responsibility included urban design studies, design development & detailing of conceptual studies from John McASlan Partners, UK,

Frischmann Prabhu is the trading name of Frischmann Prabhu India Pvt.Ltd. based in Mumbai with offices in Gandhinagar, Goa and Gurgaon  
Frischmann Prabhu belongs to the Pell Frischmann group of companies, based in London UK with offices in UAE, Ireland, Iraq and Romania

and design coordination with MEP design. Architectural Enhanced design scheme submitted in 2007.

- Master Planning for 150 acres Mixed – used township development at Bhopal, Ahmedabad for Navneet. Scope included planning, Programming, defining architectural controls and leading design team for infrastructure development.

The following other projects were undertaken under his guidance as design head of the FPI Architecture dept.:

- Woman & Child Specialty Hospital for Tain Developers , Pune. ( winning Competition entry Jan 2008 project un – built )
- Madhukar Hospital. Multi – specialty facility on top of the Malviya Nagar Metro Station . Delhi. ( Un – built )
- Goa Dental College & Hospital: Complete renovation of existing and creation of new facilities including a fully equipped independent Auditorium.
- Hostels for Nurses & resident Doctors in the Goa Medical College & Hospital.

We were happy to have him on board and continue to collaborate with him whenever the occasion for that arises.
